** Those who register by October 5 will receive a free copy of the book*

Truth Without Tears is an insightful portrait of black women leaders in American colleges and universities. Both former deans, the authors draw extensively on their personal experiences to account for the challenges and opportunities facing women of color in educational leadership positions.

Dr. Carolyn R. Hodges is Professor Emerita of German, a past Chair and former Dean at the University of Tennessee, Knoxville. Dr. Olga M. Welch is Professor of Education and a former Dean at Duquesne University.
