- **Preparing to submit a merit or promotion file or worried about the biobib?**
- **Feel uncomfortable discussing your achievements?**
- **Not sure how to articulate your diversity and service contributions?**

Please join AVC Victor Ferreira for a special hybrid workshop to review the tenure and promotion process, and get tips on how to best prepare and avoid common pitfalls, particularly for early career and underrepresented faculty. The workshop will cover common challenges and allow plenty of time for discussion. Come prepared with questions and let's dispel myths together.

If you will be participating in-person, please join us for a networking lunch after the workshop.
